Here is your abstract text [1]. The name of the latex file should be name.tex, where “name” is the last name of the underlined author. The latex file and the one-page pdf for the abstracts should be send by email to isnet@frib.msu.edu. The committee will choose the abstracts whose main author (the name underlined) will be invited to give a 15 -20 min oral presentation. If you only want to present a poster, indicate that in your email. Be sure that the length of the PDF file is only one page. Otherwise it will be rejected [2]. The abstract cannot contain figures.
