

Virtual tour of NSCL/FRIB

Monday December 14, 2020 @ 05:00 PM EST

Meeting ID: 939 7125 3882

<https://msu.zoom.us/j/93971253882>

Zach Constan "Dr. Z"

NSCL/FRIB, Michigan State University

Join us for a "virtual tour" of the National Superconducting Cyclotron Laboratory and future Facility for Rare Isotope Beams! This live presentation starts with a short history of nuclear research at MSU and then "guides" you through photospheres of our research spaces.
