

Virtual tour of NSCL/FRIB

Thursday, October 29 2020 @ 08:00 PM EST

Meeting ID: 913 2264 5006

<https://msu.zoom.us/j/91322645006>

Zach Constan "Dr. Z"

NSCL/FRIB, Michigan State University

Join us for a "virtual tour" of the National Superconducting Cyclotron Laboratory and future Facility for Rare Isotope Beams! This live presentation starts with a short history of nuclear research at MSU and then "guides" you through photospheres of our research spaces.
