Here is your abstract text [1]. The name of the latex file should be name.tex, where “name” is the last name of the underlined author. The the one-page pdf for the abstracts should be uploaded to indico as part of the submission. The committee will choose the abstracts whose main author (the name underlined) will be invited to give a 25+5 minute oral presentation. Be sure that the length of the PDF file is only one page. Otherwise it will be rejected [2]. The abstract cannot contain figures.
